

Font

Acceptable fonts include Times, Times New Roman, Courier, Helvetica, Arial, and Symbol.

FILE FORMATS

Figure files must be submitted in TIF or EPS format. High resolution JPG files are also acceptable for figure images.

TIF FILES

If you chose to save your files as TIF files, the files must meet the resolution, RGB color space, and image size requirements.

EPS FILES

If you chose to save your files as EPS files, fonts must be embedded in the file. If fonts aren't embedded they must be set to "create outlines" or "convert to paths." Please note that all images imported into software that creates EPS files must meet the resolution requirements.

PDF FILES

PDF files are acceptable if they are of high quality and all fonts are embedded.

A NOTE ABOUT OLE: Files utilizing OLE (Object Linking and Embedding) technology to display information or embed files are not supported and should be avoided.

UPLOADING FILES

When you are ready to submit your TAB article, please contact Diane McCauley at diane@aspb.org for instructions on uploading your files.
